WHY SHOULD YOU WORK WITH US?

THIS IS HOW WE CAN HELP YOU

As a skilled and dedicated makeup artist and hair styling team, we offer comprehensive, coordinated beauty services designed to make your event seamless, stress-free, and picture-perfect from start to finish.

THIS IS WHY WE’RE THE BEST OPTION

We work with you as one cohesive unit. This ensures your hair and makeup complement each other perfectly and align exactly with your desired look (e.g., classic glam, bohemian chic, modern editorial). We want you to feel like the best version of yourself.

We will go over any inspo photos you may have, talk through it then create what works best for your personality & event.

You only need to hire and coordinate with one booking. We handle all logistics, scheduling, and communication between all parties.

We use professional-grade, long-wear products and techniques proven to last through long events, different lighting conditions, and photo flashes.

OUR WORK PROCESS

1 BOOKING CONFIRMATION

After signing the agreement and sending your deposit, you will receive an email confirming your appointment or wedding date. We send out a prep sheet for you (& your bridal party if booked for a wedding) so you are the most prepared for your appointment or wedding day.

2 PREP EMAILS

Leading up to your appointment you will receive various emails and how to prep for your appointment as well as appointment start & end time confirmations. We will request inspiration photos at this time as well, if you would like to provide any.

3 APPOINTMENT TIME

We ask that you wear something comfortable but easily removeable over the head without messing up your hair and/or makeup. We will curate a tailored look based on your preferences and the event and won't let you leave our chair until you are 100% in love with your look!

4 CONTENT

If you permit, we will either film the whole look, or take photos and videos after we are all done. If there will be a professional photographer at the event, we will reach out to request those photos as well.

KIND WORDS

JENNA B.

"Kristina was an absolute dream to work with on my wedding day! She perfectly brought my vision to life — my hair and makeup were exactly what I imagined and lasted beautifully through the entire day. Not only is she incredibly talented, but she also brought such a calm, positive energy that made getting ready so special. My bridesmaids, mom and mother in law looked amazing too, and we all felt so confident and beautiful. I couldn't recommend her more!"

DIANA K.

"Kristina and her team were absolutely amazing to work with! She was very responsive, paid attention to detail, and made 1000% sure I was happy with the results, which I was!! The whole process from beginning to end was seemless. There were six bridesmaids and myself, Kristina's team had us all looking amazing within 4 hours! My hair and makeup held up throughout the night and even the next day! I cannot say enough good things about Southern Luxe Beauty!! I will definitely be using her again if the need arises!!"
