WHY SHOULD YOU WORK WITH US?

THIS IS HOW WE CAN HELP YOU

As a skilled and dedicated makeup artist and hair styling team, we offer comprehensive, coordinated beauty services designed to make your wedding seamless, stress-free, and picture-perfect from start to finish.

THIS IS WHY WE’RE THE BEST OPTION

We work together as one cohesive unit. This ensures your hair and makeup complement each other perfectly and align exactly with your desired look (e.g., classic glam, bohemian chic, modern editorial). We want you to feel like the best version of yourself.

With multiple artists working in tandem, we can complete both hair and makeup for you and your party much faster, keeping your schedule on track for your event or wedding.

You only need to hire and coordinate with one booking. We handle all logistics, scheduling, and communication between all parties.

We use professional-grade, long-wear products and techniques proven to last through long wedding days, different lighting conditions, kissing, hugging. and photo flashes.

OUR WORK PROCESS

1 BOOKING CONFIRMATION

After signing the contract and sending your deposit, you will receive an email confirming your wedding date. We will also request the name of your photographer and planner/coordinator.

2 WEDDING PREP EMAILS

Leading up to your wedding day, you will receive several various emails from us. Some of them will be about how to prep your hair and/or skin, prep sheets for your bridal party, timeline and vendor confirmations and payment receipts.

3 BRIDAL TRIAL

If you are planning to book a trial we will also send out information for that appointment as well. We ask that you wear something comfortable in a white/ivory color but easily removeable over the head without messing up your hair and/or makeup. We always recommend you book something fun this day since you will be all done up!

4 WEDDING DAY

We will arrive with everything we need to make you look and feel beautiful! Our goal is to create a stress-free and FUN environment where you can relax and get ready with your loved ones and let us handle the glam. We will need space, tables and preferably natural lighting to set up. We will ensure the makeup looks great in all lighting and angles!

KIND WORDS

JENNA B.

"Kristina was an absolute dream to work with on my wedding day! She perfectly brought my vision to life — my hair and makeup were exactly what I imagined and lasted beautifully through the entire day. Not only is she incredibly talented, but she also brought such a calm, positive energy that made getting ready so special. My bridesmaids, mom and mother in law looked amazing too, and we all felt so confident and beautiful. I couldn't recommend her more!"

DIANA K.

"Kristina and her team were absolutely amazing to work with! She was very responsive, paid attention to detail, and made 1000% sure I was happy with the results, which I was!! The whole process from beginning to end was seemless. There were six bridesmaids and myself, Kristina's team had us all looking amazing within 4 hours! My hair and makeup held up throughout the night and even the next day! I cannot say enough good things about Southern Luxe Beauty!! I will definitely be using her again if the need arises!!"
